HARE KRISHNA GOLDEN TEMPLE

Srila Prabhupada ***Says***

“ The holy places all over the earth are meant for purifying the polluted consciousness of the human being by an atmosphere surcharged with the presence of the Lord's unalloyed devotees. If anyone visits a holy place, he must search out the pure devotees residing in such holy places, take lessons from them, try to apply such instructions in practical life and thus gradually prepare oneself for moksha. The Supreme Lord is always with such pure devotees because of their unalloyed service, which is without any tinge of personal motivation and speculation. By their actions the pure devotees of the Lord can render any place into a place of pilgrimage, and the holy places are worth the name only on their account.”

Srimad Bhagawatam Purports
1.13.10

Dedicated to and Inspired by
A.C. Bhaktivedanta Swami Prabhupada
Our beloved guru who revealed the importance of Holy Dham to us

Om Vishnupada Paramahansa Parivrajak- acharya Ashttotarashata

Sri Sri Abhaya Charanaravinda Bhaktivedanta Swami Prabhupada is the thirty second acharya in the Brahma Madhva Gaudiya sampradaya. He is lovingly addressed by his disciples as 'Srila Prabhupada'. Like all the eternally liberated souls (nitya-siddhas), Srila Prabhupada's mission was to preach Krishna bhakti to the entire world. By the end of 1977, Srila Prabhupada established 108 Krishna temples all over the world.

He had encircled the globe 14 times in just 12 years, translated the Vedic scriptures such as Bhagavad-gita and Bhagavata Purana into English, authored books on the science of devotional service, lectured at thousands of occasions, convinced many scientists and bureaucrats about the presence of God, established Bhaktivedanta Book Trust the largest religious printing press, opened Gurukulas, established farm communities and above all he ruled the heart of millions of his disciples. In total Srila Prabhupada was an epitome of devotional service to Lord Krishna, the Supreme Personality of Godhead and a Punya kshetras (Tirtha) in Himself.
